Rescued From Death.

Wm. J. Coughlin, of Somerville, Mass. says: In the fall of 1876 I was taken with bleeding of lungs followed by a severe cough. I lost my appetite and flesh, and was confined to my bed. In 1877 I was admitted to the hospital. The doctors said I had a hole in my lung as big as a half dollar. At one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. Wm. Hall's Balsam for the lungs. I got a bottle, when, to my surprise, I commenced to feel better, and to-day I feel better than for three years past.
